

The books were purchased under the guidance of subject in-charges and the discussion with principal. Two books are issued to all the students for 14 days or more if needed. The college has a book bank and all the text books are issued to a large number of students for whole year and even the university roll numbers for exam are issued without getting these books back. There is a suggestion box in the library and any student can put a demand slip in it for getting the books purchased. if any of the staff member need any book for doing research work or Ph.D. degree or research paper or class teaching or any activity, the book is allowed and purchased.

The facilities are for all and are not restricted to a few one. More stress is laid on providing the facilities instead of sticking to hard and fast rules, that is rules are flexible and more importance is given to utilization than to creating rules. The staff is helpful in providing facilities to use library, laboratories and sports facilities.

The library is being computerized and the binding of the books are repaired and all the books are being covered and protected in though the library open access but to maintain the books, the books are kept in almirahs.

In addition to the recommendation of purchase of computers, the computer incharge recommends the repair and maintenance and the principal arrange the repair and maintenance of computers, internet instruments and printer. Most of the facilities need electricity and there for the college has two generators.
