

IQAC holds the regular meetings for this year, IQAC decided that the classrooms be white washed, sunmica on the gates be cleaned and the frames (Chokaths) of the doors be polished and accordingly, this decision was implemented. The books were purchased under the guidance of subject in-charges and the discussion with principal. Two books are issued to all the students and re-issued after 14 days or more if needed. The college has a book bank and all the text books are issued to a large number of students for whole year and even the university roll numbers for exam are issued without getting these books back. There is a suggestion box for student in the library. Staff member suggested books for doing research work and Ph.D. degree for research paper and for class teaching these books were purchased. The staff is helpful in providing facilities to use library, laboratories and sports facilities. IQAC recommended purchase of more books and accordingly books were purchased. The binding of the books are repaired and all the books are being covered and protected though the library has open access but to maintain the books, the books are kept in almirahs. Whenever any defects/deficiency is expected or detected in computers, CCTV, printers, LED, sound system etc., immediately the concerned experts are arranged to repair and replace the parts, if needed. Most of the facilities need electricity and there for the college has two generators. IQAC recommended that playground be maintained and used for sports.
