

Title of the Practice

Organization of Morning Assembly:-

The college organizes daily morning assemblies in which almost all the students and lecturers participate. The students and lecturers pray to the almighty for bestowing upon us goodness in deeds and wise thinking. Prayer is followed by physical exercises followed by news/ announcements of the college or appreciating/honoring the achievements of the students. The morning assembly ends with the singing of the National Anthem. This morning is aimed at cultivating values and discipline and reinforcement of goodness.

Talent Hunt Programmers:

The students can choose any one area based on their interest and talent, and progress it to become worth appreciating. The main aim of conducting these activities is to identify and nurture the talents from a young age to boost self-confidence in their skills which will be translated into studies to gain parallel academic excellence. To serve this purpose our college celebrates talent hunt programs every year. Students prepare different items according to their talents like dance, singing, poem recitation, play drama, or skit on various issues to give a

social message to society. Teachers act as a mentor and observe them. It becomes a competition, the winners are given prizes and others are applauded.
